SUMMARY

As an experienced front-end developer, I specialize in crafting user-centric websites and applications with a focus on performance and usability. With a proven track record of delivering complex web projects using modern frameworks like React and Next.js, I bring extensive hands-on experience from my work on 3-4 major professional projects. I am currently seeking an opportunity to contribute my skills to a dynamic, design-focused organization where I can continue building exceptional user experiences and drive innovative solutions.

WORK EXPERIENCE

Software Developer Engineer-I   **K12 Techno Services Pvt. Ltd, Bengaluru, India.**
Front-End Developer   *Dec 2023 - Dec 2024*
